

LEAPING BUNNY PROGRAM

Cosmetic, personal care, and household product companies that comply with the Leaping Bunny Program's cruelty-free standard are listed in the *Compassionate Shopping Guide* and are able to use the internationally recognized Leaping Bunny Logo. The Leaping Bunny Program requires that no new animal testing is used in any phase of product development by the company, its laboratories, or ingredient suppliers after a fixed cut-off date; and because of this rigid standard, this is the only list and logo that consumers can truly trust.

Formed in 1996, the Leaping Bunny Program is run by the Coalition for Consumer Information on Cosmetics (CCIC), and is comprised of these leading animal protection groups:

- ★ American Anti-Vivisection Society, Chair
- ★ Animal Alliance of Canada
- ★ Beauty Without Cruelty, USA
- ★ Doris Day Animal League
- ★ The Humane Society of Canada
- ★ The Humane Society of the United States
- ★ MSPCA Center for Laboratory Animal Welfare
- ★ National Anti-Vivisection Society
- ★ New England Anti-Vivisection Society

INTERNATIONAL PARTNER

- ★ European Coalition to End Animal Experiments

The companies listed have shown that they care about animals. You can show that you care by choosing to buy their products. All CCIC product lists are periodically updated. Please visit www.LeapingBunny.org for the most current information.

- ▶ Original signatory of the Leaping Bunny Program in 1996
- ▶ Company uses the Leaping Bunny Logo
- ▶ Cruelty-free subsidiary of a parent company that does not comply
- ▶ Canadian company

www.LeapingBunny.org

Companies that do not test finished products, ingredients, or formulations on animals.

Look for the Leaping Bunny Logo

LEAPING BUNNY SHOPPING GUIDE FOLDING INSTRUCTIONS

Your PDF shopping guide is specially formatted to fit in your pocket with just 3 folds! You'll need to print it out on both sides of a single sheet of paper (or on two sheets of paper to be placed back to back), then:

1 Position your guide so that you are looking at the latter half of the alphabet, upside down (as shown below).

Fold the bottom edge of your paper up to meet the top half.

2 You'll now be looking at the front of the guide, with the blue header "Leaping Bunny Program" in the upper left corner.

Fold the right side of your guide over to meet the left side.

3 Once again, fold the right side over to meet the left.

4 Flip your guide over to the front cover, and start shopping compassionately!
